Items for Report, Discussions and Possible Actions:

There was a discussion between the attendees of the meeting on how to go about replenishing the cemetery's office supplies. It was suggested by trustee Tony Eusted that the cemetery district considers the idea of getting a company credit card for office supplies. The credit card could have a limit, and be used strictly to replenish printer paper, letter stamps, printer ink and other necessary supplies. After further discussion, a motion was made by chairman Hannes Becker to approve a company credit card for the cemetery office. The motion was seconded by trustee Loren Coty and third by trustee Tony Eusted. The vote was unanimously approved.

Trustee Reports:

Chairman Hannes Becker requested that the board members investigate adding Rio Dell as a district. Hannes Becker mentioned that he will contact The Second District Supervisor, Michelle Bushnell, for further info. Trustee Tony Eusted reported that there were around 30 casket burials and 30 cremation burials since the previous meeting on May 12th, 2025.
